

JUNIOR LIVESTOCK DEPARTMENT

JOHN MENDES, Livestock Superintendent

Livestock Office – (209)632-2557

Online Entries must be completed by 12:00 (midnight), Thursday, May 20, 2021

1. All exhibitors of purebred livestock must check in with their completed animal registration papers **on the receiving day and only during the time stated on the Livestock Schedule for check-in. NO EXCEPTIONS. Any substitutions, transfers or changes must be done during the check-in time only as stated in the Livestock Schedule.** All registered animals will be verified, registration papers and tattoo checked by fair staff, and include a physical inspection of the animal at the check-in date and time as stated in the Livestock Schedule. Failure to comply with the above procedure will result in the disqualification of said entries.

LIVESTOCK EXHIBITOR RULES

2. All 2021 State Rules for California Fairs set forth by the California Department of Food & Agriculture, Division of Fairs and Expositions (F&E) apply. 2021 State rulebooks are available at www.stancofair.com or at www.cdfa.ca.gov/fe/Staterules.
3. The fair management shall deny entry or disqualify and remove any exhibit or exhibitor that is ineligible for competition under State and Local Rules or endangers the public or has violated State and Local rules. The fair may require removal of the exhibitor and/or exhibit (including animals) from the fairgrounds failure to comply shall be reported to F&E and to California network of fairs, which may be cause for any fair to deny entry.
4. Exhibits must be on display as specified and will not be released until the date specified in this handbook. Any violation of this rule will result in the forfeiture of any awards and/or privileges as deemed appropriate by Fair Management.
5. Exhibitors, leaders, advisors and parents found, after a chance to provide evidence and be heard before the fair management, of unethical practices as set forth in the State and Local Rules or in actions inimical with the fair program shall result in the exhibit being disqualified and the forfeiture of any awards and/or privileges as may be deemed appropriate to the circumstances by the fair management. If the judging for the exhibit has not yet commenced the exhibitor, leaders, advisors and parents may be denied entry in any exhibitions at the fair. The fair management shall report any such incidences of unethical or inimical behavior established by the fair as provided for in this rule, to F&E in writing and such reports may become the basis for any California fair to refuse entries from the exhibitor, leaders, advisors or parents for up to 5 years following the infraction.
6. Junior exhibitors are expected to groom and care for their own animal(s) when at the fair. Exhibitors shall refrain from accepting active assistance from adults and non-exhibiting youth unless the junior exhibitor is actively engaged, and the assistance is only for instruction. The use of professional groomers will be cause for disqualification of the member and/or animals. Disqualification consists of withholding premium money and ribbons, elimination from further competition and/or removal from the auction. The intent of this rule is for junior exhibitors to work on their own animals.
7. An exhibitor must show their own animals unless the exhibitor has 2 entries in the same class. In this case an exhibitor may receive assistance from another junior exhibitor who is also an exhibitor at the fair and is in official show uniform at the time of rendering assistance. An exhibitor may utilize assistance for group classes; however, all assistants must be junior exhibitors at the fair and be in official show uniform.
8. **EXHIBITORS ARE REQUIRED TO HAVE & PROVIDE INSURANCE FOR ALL LARGE ANIMALS AT THE FAIR.**
9. No drenching (force filling) of **any animal** is allowed. **Drench guns are not approved for use while on fairgrounds. Anyone found to be using a drench gun, without the supervision and direction of the official fair veterinarian and/or designated fair official, may result in exhibit being disqualified.**

Entry Deadline is May 20, 2021. Enter Online: <https://stanis.fairmanager.com>

If you have any questions, please email livestock@stancofair.com or call 209-632-2557

10. All 4-H, FFA and Grange members receiving awards at the awards ceremony must be in the official show uniform.
11. Project record books must be available on request.
12. There will be a \$25.00 fee for each check that must be reissued by the Fair.

ENTRY REQUIREMENTS

13. Under no circumstances may an exhibitor concurrently enter the same species of animal (beef cattle, dairy cattle, dairy goat, meat goat, sheep, swine, cavy, dog, poultry, rabbit or horse) in 4-H, FFA, Grange or Independent classes of the junior department per State Rules.
14. **All Livestock entries are to be submitted online only by the deadline.**
15. Entry must be complete when submitted online for the livestock department. When '**Papers are Pending**', ALL OTHER INFORMATION IS REQUIRED, with the exception of the 'Name and Registration Number' of the animal.
16. After the close of entries, fair management reserves the right to combine classes if sufficient entries are not received within an age group. This combination will be made after papers are checked, in order to have an accurate number of entries. IF SUFFICIENT ENTRIES ARE NOT RECEIVED, SPECIFIED BREED WILL BE COMBINED WITH ALL OTHER BREEDS. When the fair combines classes, an exhibitor is entitled to two cash awards per each class that was combined (**refer to State Rules**).

LIVESTOCK ENTRY LIMITS (PER EXHIBITOR)
